

Disclosure of Financial Relationships

Title	Physician Assistant Preceptorship
Date	03/03/2025-01/30/2026

Definition of an ineligible company: Companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Disclosures

In accordance with the appropriate accrediting bodies, all planners, teachers, and authors with control over activity content must disclose to the provider any relevant financial relationships (those held by the person, currently or within the last 24 months) with *ineligible companies*. Accredited providers are required to provide this information to learners before the start of an activity.
